

AKTICOP S

Installation version E2

MH-INSTANT COPY LAMP

Worldwide experienced instant metal-halid copy lamp with high efficiency as built-in version.

This copy lamp is meant for the precise exposure of UV sensitive films and emulsions for stencils, printed circuit boards, print plates and daylight films. Also available as installation version E1, hanging version (see price list No. 02/19).

Technical data:

Power	1500 W, 3500 W or 5500 W
Standard version	Complete chassis. Prepared for the installation of a vacuum pump (option). Low noise ventilator. Connectors for external operating desk and light integrator AKTITRON. Electronic hot ignition to allow instant exposure. Protective glass pane, heat resistant, UV-B absorbing. Inclusive 1 ozone free tube with universal spectrum for diazo and SBQ.
Features	UV spectrum fully activated in a few seconds. Easy change of tube at reflector. Flat reflector with high polish surface.
Manual instruction	German or English

Accessory/Option

- Light integrator AKTITRON S16E, with photo cell (recessed version / built-in version), UV filter, 15 programs and 1 vacuum program, measurement of UV intensity

Article No.	Description
AS02013	AKTICOP E2 1500 S / 230 V, 50 Hz
AS02023	AKTICOP E2 3500 S / 400 V, 50 Hz
AS02033	AKTICOP E2 5500 S / 400 V, 50 Hz
Accessories	
MA11046	Light integrator AKTITRON S16E, with photo cell (recessed version / built-in version)
AS02000-11	Operating desk with switches and vacuum gauge
KY00525	Vacuum pump 3 m ³ , 230 V, 50-60 Hz
AS02000-50	Transformer for different main power supply / 3500 S
AS02000-51	Transformer for different main power supply / 5500 S
AS02012-95	Packing overland freight
AS02012-96	Packing sea freight
